In an effort to promote economic diversity within the school, we offer a tuition scale based on adjusted gross income per family. Due to budget constraints, there are limited discounts available, so we cannot guarantee the discount even if families do qualify. Families must submit a Tuition Tier Application (available on our website and the parent portal) along with supporting documents to be considered for a discount. For the 2020-2021 school year, Friends utilizes the 2018 Federal Income Tax return(s) filed by the family and any other contributors in making the tier determination.

Supplemental financial aid is also available on a limited basis. All families seeking financial aid must complete an application and pay a \$45 non-refundable fee with Financial Aid for School Tuition (FAST). A link to FAST is on the Friends Website under Admissions, Tuition & Financial Aid and will be open for submission beginning January 15, 2020.

Once a student is admitted, final tuition is determined based on review of Tuition Tier Applications, financial aid and other adjustments as applicable. A non-refundable deposit equal to 10% of the tuition is paid at the time an enrollment contract is signed. Friends School charges activity fees for grades 3 through 8 to cover the cost of group travel for those classes. Costs for AfterCare, Enrichment Classes, and hot lunch are in addition to tuition and above fees.

Please note that Tuition Tier Discounts and Financial Aid are available on a first-come, first-served basis.
